A MESSAGE ABOUT SCHOOL PORTRAITS

Dear Parents and Guardians:

We are excited to announce our partnership with Lifetouch School Portraits for the photography of our children. This partnership provides images of your child that documents the history of your family and our school.

Our relationship with Lifetouch also provides funding for many of our initiatives throughout the school year. By purchasing your portrait package you are supporting our school and savoring a cherished memory for a lifetime.

Portraits confirm to our children that they belong to a family, a classroom, and a school. Please consider preserving and supporting this partnership.

Thank you in advance for the consideration.

How to order and pay for your school portraits online:

1. For more background options and to pay by credit card, order your pictures online at www.mylifetouch.com. Enter the **Picture Day ID** provided at the top of your flyer and envelope. For online orders ONLY, you DO NOT need to fill out or return the paper order form. All orders will be matched up with the student's name.
2. You may also order on picture day by providing cash, check, or money order payment in traditional paper envelope provided by Lifetouch. Due to higher measures of security, no credit card numbers are allowed to be written on the paper order form.
